

HOW TO EXPLAIN REDISTRIBUTION OF WEALTH

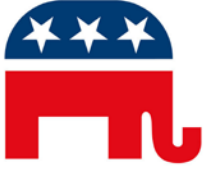

Recently, while I was working in the flower beds in the front yard, my neighbors stopped to chat as they returned home from walking their dog. During our friendly conversation, I asked their little girl what she wanted to be when she grew up. She said she wanted to be President someday.

Both of her parents, Democratic Party members, were standing there so I asked her, "If you were President what would be the first thing you would do?" She replied... "I'd give food and houses to all the homeless people." Her parents beamed with pride! "Wow...what a worthy goal!" I said..."But you don't have to wait until you're President to do that!" "What do you mean?" she replied.

So I told her, "You can come over to my house and mow the lawn, pull weeds, and trim my hedge, and I'll pay you \$50. Then you can go over to the grocery store where the homeless guy hangs out, and you can give him the \$50 to use toward food and a new house."

She thought that over for a few seconds, then she looked me straight in the eye and asked, "Why doesn't the homeless guy come over and do the work, and you can just pay him the \$50?" I said, "Welcome to the Republican Party."

Her parents aren't speaking to me anymore.

A Letter from Our Membership Chair

"We need to take our country back!" Have you been hearing these words? Maybe you've said them yourself. Now is the time to act on those words; now is our opportunity to put our country back into the hands of conservative Republicans. Those hands begin with your hands; each of us needs to be involved and more knowledgeable about our local, state and national issues.

The most important benefits of Middlesex County Republican Committee (MCRC) membership are having your voice heard and being a more informed voter. This is best accomplished by attending MCRC monthly meetings as often as you can. *Need a ride? Let us know!* Not currently a member? Now is the time to make that happen!

Be part of an active, enthused, and re-energized group who are committed to changing the political landscape in Virginia and this country to a conservative, fully employed, secure and debt-free nation! We're actively working to get-out-the-vote for the 2015 local elections. We will support the 2016 Republican candidate for President and the 2017 Republican candidate for Governor. There is so much at stake. Please don't leave it to others to get the job done.

As a member you'll receive meeting notices; you'll be kept up-to-date about what's happening within the GOP; and you'll learn ways you can volunteer to be an effective part of this process. We look forward to hearing your ideas, working side-by-side with you, and making progress toward the future that Republicans have in mind.

MCRC is working diligently to bring our county unit more in line with the rules of the Republican Party of Virginia (RPV). MCRC members are asked to attend monthly meetings to be considered "active." If a member misses three meetings in a row, they lose their right to vote at monthly meetings until reinstated by a vote of the membership. Reinstatement is easy, but the point of the requirement is to encourage each member's regular participation.

Communication is usually by e-mail as it is budget friendly and efficient. Your e-mail address is safe, not sold or given to anyone. For those without e-mail, news is by newsletter or phone. We have a Facebook page and are working to update the website that has been dormant for some time. MCRC encourages you to renew your commitment to Republican values by completing the enclosed membership form and mailing it with your check today.

With all good wishes,

Patti Taylor
